

# NORTH BEND SCHOOL FOUNDATION

*A Foundation to Build On*

## **2013 was a busy year for the NBSF.**

After distributing the results of our first fund raising raffle, plans got under way to develop and update alumni lists in an effort to raise funds for future projects within the district. We are working diligently on the project and are excited to begin the process of communicating with all those Bulldogs out there.

A milestone was achieved in 2013.

The North Bend School Foundation awarded a \$4000.00 grant to fund a district wide training for a Positive Behavior and Instructional Supports (PBIS) team. This process will help the district identify students who need extra support behaviorally; with the goal of the program being to help remove barriers for the academic success of all students. This represents a huge success by the foundation in supporting its mission to enhance the educational experience of all North Bend Students.

Keep an eye on our website; [www.nbsfoundation.org](http://www.nbsfoundation.org) and our Facebook page for information on upcoming events and donation opportunities.
