

Our Mission

The North Bend School Foundation's mission is to acquire and distribute financial resources to North Bend public schools for programs and projects aimed at enhancing and supplementing K12 educational opportunities for our students. We promote academic values as well as creativity and innovation. Together we bridge funding gaps and equip teachers to help our students flourish.

Bay Area Hospital, for their
\$7,500 Grant awarded for
our "At Risk /Homeless"
Students!

&

Coquille Tribe, for their
donation of computers for
the Aspire Room at NBHS!

Help Us Enhance Opportunities for North Bend School Students!

Our North Bend schools have a reputation for outstanding instruction. But financial restraints challenge our staff to maintain a high level of innovation and excellence. Several years ago, caring Bulldog alumni, local citizens, businesses, and staff members formed the North Bend School Foundation. The Foundation's primary purpose is to aid students, teachers, and administrators in providing the best possible education for students. Since the district is limited on local and state funding, there are times that the Foundation has been able to step in to help students in areas that create great opportunities for learning.

One only needs to look at what the North Bend School District has to offer and compare it to other districts in the state to see how fortunate we are. There have been highs and lows over the course of 120 years of instruction, but in all instances North Bend has met the challenge because of the generosity of our community. North Bend teachers continue to be innovative and have approached the Foundation with a myriad of ideas to improve the quality of their instruction. You can see examples of successful grant opportunities we funded in 2018 on the left column of this page.

Great challenges remain today. We hope you will consider making a contribution to our continuing fundraising efforts in order to meet these challenges. Our students are a critical resource for our community. Please contribute and complete the form attached to this newsletter when you send in your donation.

Thank you for your consideration!

Thank you to the Coquille Tribe! Their donation allowed us to purchase computers for the Aspire Room at NBHS!
